

# **Curriculum Vitae**

**Name: Ahmad El Sayed El Tahan**

## Curriculum Vitae

### Personal information

**Name:** Ahmad Essayed El Tahan  
**Nationality** Egyptian  
**Marital** Married/4 sons  
**Foreigner language:** English V.G

**Home address** 1<sup>st</sup> district- 3th Neighboring -Villa 11/33–  
New Damietta -Damietta  
**Office address** Faculty of applied arts –Korneesh El Nile  
Al Assar- Damietta /Egypt  
**Tel** ++2 0100 3614142 & ++2 057 353098  
**E-mail** tahan73@mans.edu.eg

### Qualifications.

#### Professor title at 2007

1. Unclassified research September 1979 Leeds University
2. M.Phil Master of philosophy December 1980 Leeds University
3. Ph .D **Leeds University** England Textiles department. 1984.
4. B.Sc Textile Engineer Mansoura Univ. Textile Depart. 1973

### Professional Career

- 1- Spinning Maintenance Engineer for Messer Spinning and Weaving Co. Mahala El Koubra GH Egypt (public sect.) from 12/3/1974 To 6/8/1977.
- 2- Technical Consultant knitting Machine for CENTHON Limited ENGLAND from 20/8/1977 To 1/9/1981
3. Quality Control and production Manager for the National Spinning& Weaving clothing CO. Karmooz Alexandria Egypt (public sector) from 1/2/1985 to 1/10/1985
- 4-Director of Clothing Industries & Accessories Manufacturing El CIAM CO. (private. Sect.) From 1/10/1985 to 31/7/86
- 5- Maintenance manager for Eastern Company of Spinning and Weaving-Alexandria from 5/8/1986 to 20/6/1987.
- 6-Production manager –Elsaad Company for clothing Manufacture from 15/6/1987 to 15/12/1987(privet sector)
- 7-Production Manager for Mansoura –Spain for ready made garments

Export (privet sector) from 1/3/1988 to 2/9/1989.

8-Production manger for Flannel company ready made garment Manufacturing &exporting (privet sector) from 1/1/1990 to 30/12/1991.

10- Manager and **owner** of Panda Company -Ready Made Garments Manufacturing &Exporting (privet sector) from 1/1/1992 to 30/12/1997.

**Specialisation:**

- 1- Friction coefficient of yarn and fabrics,
- 2- Fabric physics
- 3- Ready made garments technology
- 4- Clothing comfortability
- 5- Fashion and patterning design
- 6- Clothing Factories management

**Other Skills:** (e.g. Computer literacy, etc.)

1. Computer Skills- micro soft word-excel-power point-Access-outlook
2. Fashion design from concept to product with computer programs (Investronica-Lectra for readymade garment Technology)(Poser program – Adobe illustrator for garment technology and graphics)

**Qualification of Quality assurance programs**

1. PI of Quality Assurance & Accreditation Program.
2. Trained for TOT for course & program specification.
3. Trained for TOT for course & program report.
4. Trained for TOT for bench mark and academic standard and SWOT analysis.
5. Trained for -TOT for Annual Faculty Report
6. Trained for external reviewer for higher education
7. Trained for intensive external reviewer for higher education
8. Trained for external reviewer simulation for higher education
9. Trained for information Technology (IT)
- 10.Trained for Faculty Self Evaluation

**FLDP Faculty and Leadership Development Project**

Trained for:

1. Design of educational course and program.
2. Credit hours
3. Decision making and solving problems
4. Course design
5. Time management and work pressures
6. Evaluation of examining papers
7. Strategic of questions exam reform

## **Organizations**

1. Member of Egyptian Engineers Syndicate
2. Principal member of Qiamnabeela society
3. Reviewer of the **Binational Fulbright** Commission (USA) in Egypt.

## **Educational Experience**

From 1987 to 1991 for part time

- 1-Faculty of education –industrial branch –ready made garments  
Department Mansoura University.
- 2- Faculty of education –industrial branch –ready made garments  
Department –Damietta branch -Mansoura University.
- 3- Faculty of specific education –Home economic –ready made garments  
Department Mansoura University.
- 4- Faculty of specific education –Home economic –ready made garments  
Department Damietta branch -Mansoura University.

### **Teaching Courses:**

- Fashion Design
- Garment technology
- Garment industrial management
- Digital Garment (Investronica & lectra computer programs ad Poser program Adobe Illustrator.)

- ❖ **Full time** from 1991 up to 2004 for Faculty of education –industrial branch – Ready Made Garments Department Mansoura University.
- ❖ Form 2004 up to 2007 for faculty of applied arts ready made garments department Damietta branch -Mansoura University.
- ❖ Form 2007 up to now for faculty of applied arts ready made garments department Damietta University.

### ❖ **The previous work:**

1. Chairman of Ready Made Garments Department  
Faculty of Applied arts Damietta branch -Mansoura University.
2. Vice dean Of research and culture affairs  
Faculty of Applied arts Damietta branch -Mansoura University.
3. PI of QAAP Quality assurance project.
4. Member of European TEMPUS project( under consideration)

### **The Major Supervision Thesis:**

1. Studies on Relationship between Ladies and children outerwear Pattern Design and Its Effect on Marker-Making Efficiency.
2. Designing Some Ladies Parts Dress Suitable For Faces and Neck Style.
3. The Utilization of The Pharaoh Clothes Designs for Updated Model Invention
4. A comparison Study for the Economic Trouser Suitable for University Youth According to The current Fashion Trend.
5. A Study of the Body Styles and Clarification of the Fit Sizes of Mansoura University Students.

6. External Examiner for M.Sc and PhD Graduations.

**The major Researches:**

1. The Relationship between the Knitted Fabric Construction and the Suitability of Some Models to be utilized for Children's Outerwear.
2. Sewing Thread Sew ability Assessment.
3. Cotton fabric Sew ability Assessment.
4. The Garment Comfortability of the Primary School Uniform as Function of Fabric Physical Properties By using Cotton fabric.
5. Physical Properties of Primary School Uniform and Clothing Material In Relation to Comfort and Health by Using Blended 50/50 Cotton Polyester.
6. Cloth Modeling of Virtual Human with Different Pieces of Clothing.
7. Analysis of Interrelation of Knitted Fabrics Physical Properties and Its Influence on Fabric Porosity.
8. Mathematical Simulation of Heat and Sweat Transfer in Primary School Uniform Using Cotton And blended Cotton/polyester 50/50 Fabrics.
9. An Alternative Method to Objective Measurement of Fabric Bagging
10. Comparison study of different pattern schools and most applicable to Mansoura university student figures

**Publication (text Books)**

**Fashion and Garment technology**

1. Fashion design (2 Arabic , 2 English)
2. Garment technology –lingerie and under wear(English)
3. Garment technology –Men's wear( English)
4. Garment technology –Children wear
5. Apparel Factories Management –English
6. Environment and Design - English
7. Principal of Garment Technology(Arabic)
8. Application on pattern technology /Jacket/Dress/Trouser(Arabic)
9. How to sew the children wear(Arabic)
10. The sewing machine and sewing process (Arabic)
11. Pattern technology –the principal and the theory-(Arabic)
12. Pattern technology –blouses and skirt(Arabic)
13. Pattern technology jacket and trouser(Arabic)

**Local Published Books**

14. Pattern technology –blouses and skirt (**Arabic**) ISBN977/5265/72x2006.
15. Pattern technology jacket and trouser(**Arabic**) ISBN977/5265/72x-2006

**International publishing**  
**Book**

### **TWIST CHANGES IN THEARDLINES MOVINGOVER SURFACEs**

- Publisher: Amazon & LAP Lambert Academic Publishing-Germany-
- (March 30, 2010)
- Language: English
- ISBN-10: 3838345193
- ISBN-13: 978-3838345192

### **Local Conferences**

1. Faculty of Home Economical Conference Shipeen El Koom July 2000.
2. Helwan University Conference Des.2000 .
3. The Six Scientific Conference of Faculty of Specific Education 2-3 May 2001.
4. Faculty of Home Economical Conference15-16 Feb. Shipeen El Koom University of Minouf 2004.
5. The Seventh Scientific Conference of Faculty of Specific Education 26-27 April 2006.

### **International conferences**

1. 4th International engineering conference **Egypt** March.20-22-2004.
2. 5th International engineering conference-**Egypt**- March.27-31-2006.
3. 4th International Conference on Oxidative Stress in Skin Medicine and Biology Andros, **Greece** 11-14 September 2008.
4. 15th international Conference Strutex, Technical University of Liberec The **Czech Republic**-Faculty of Textile Engineering 1/12/2008-3/12/2008.
5. 2ed International Conference on Higher Education Development – Mansoura University-**Egypt**-1-2 Nov/2009.
6. 7th General International Engineering Conference March.23-28/2010.
7. 9th Joint International Conference Clotech' May, 27th – 28th 2010 Radom-**Poland**.
8. 5th International Conference on Oxidative Stress in Skin Medicine and Biology Andros, **Greece** 1-4 September 2011.
9. **7th Annual Scientific Conference of Medical Physiology Department**, Mansoura, **Egypt**. **March 27-28, 2013**
